Looks Are Everything

Rose Falcon

See it on my TV
In my magazines
See it everywhere I look
Even in my dreams
I can't sleep for dreaming
See it on a billboard
Pasted in the sky
Inside of my eyelids
When I close my eyes
I can't sleep for screaming
Tell me what I should try
Tell me what I should buy
No matter what I do
It's never good enough
Isn't she a pretty thing? Oh
Isn't she a pretty thing? Oh
Isn't she a pretty thing?
So lucky looks are everything
Looks are everything
She don't look like my friends
Not at all like me
Dreamt that I was perfect
I was happy
I can't sleep for dreaming
No matter what I try
No matter what I buy
No matter what I do
It's never good enough
Isn't she a pretty thing? Oh
Isn't she a pretty thing? Oh
Isn't she a pretty thing?
So lucky looks are everything
Looks are everything
It all seems so backwards
It's all upside down
Shouldn't it be love that makes
The world go round?
Isn't she a pretty thing? Oh
Isn't she a pretty thing? Oh

So lucky looks are everything, oh
So lucky looks are everything, oh
Isn't she a pretty thing? Oh
Isn't she a pretty thing? Oh
So lucky looks are everything
Looks are everything
Looks are everything
Looks are everything
