

We've Got Airplanes

Guided By Voices

We fly higher then at first we imagined,
We came over for the spin of a globe,
spanning rivers as the fish eggs were hatching,
? pulse of the ?Come visit our world,
see what goes down
explore new horizons
fall to the groundhow does it feel? X6
How do you feel?Tired busses on an abandoned old highway
taking kisses??of a gun
broken bottles on the top of the stairway
monuments of those we love mosthow does it feel? X6
How do you feel? X2how does it feelX3(Unclear about fade)
