Everybody Everybody (Le Freak Mix)

Black Box

You won't belong to me, I let you down
I walk around 'n' see your night skyline
I feel the light but you don't want to stay
So lonely now, just let me off downtown
Sad and free, sad and free
Sad and free, sad and freeWhen I said it was over, you aimed at my heart
Won't be long for I'm leaving all my love
But I'll feel it forever, no sounds in my life
You can call that no livin' on my own, so freeEverybody, everybody, everybody, everybodyOh, everybody
Oh, everybody
Everybody
Oh, everybody
Oh, everybodyYou took me easy and then let me go
I never was, you see, that cheatin' kind
You feel all right, you never looked for me
So long, it's time, I've gotta get on by
Sad and free, sad and free
Sad and free, sad and freeWhen I said it was over, you aimed at my heart
Won't be long for I'm leaving all my love
But I'll feel it forever, no sounds in my life
You can call that no livin' on my own, so freeEverybody, everybody, everybody, everybody
(Repeat above over next verse)Oh, everybody
Oh, everybody
Everybody, oh everybody
Oh, everybody
Everybody
Oh, everybody
Oh, everybody
Everybody
EverybodyWhen I said it was over, you aimed at my heart
Won't be long for I'm leaving all my love
But I'll feel it forever, no sounds in my life
You can call that no livin' on my own, so freeEverybody
