

My Religion

Krystal Harris

There's nothing' wrong with tradition
Bt tel me where it saysnot to
Follow our hearts...
that's's why so many of us are
So Konfused
And well nevr live up to
Your Rules....(Chrous)
My Religion does't hate
It will never turn you away
It always understands...
My Religion won't Kondemn
Always lends a healing hand
It's LOVE
My Religion's LOVE...ll it takes is to be willing
To sacrifice for someone
Who is in need...
Then we Kan begin to ea again
and LOVE will sweep the land!My Religion does't hate
It will never turn you away
It always understands...
My Religion won't Kondemn
Always lends a healing hand
It's LOVE
My Religion's LOVE...That's why so many of us
Are Konfused
And w'l never live up to
Your Rules!My Religion does't hate
It will never turn you away
It always understands...
My Religion won't Kondemn
Always lends a healing hand
It's LOVE
My Religion's LOVE...(Modulation)
My Religion does't hate
It will never turn you away
It always understands...
My Religion won't Kondemn
Always lends a healing hand
It's LOVE

My Religion's LOVE...My religion's LOVE...
