

# Imperfectly

## Veruca Salt

How can I help it  
If I'm not neat  
If there were creeps before you?  
How can I help you  
If I am weak  
If I don't know how to help me?  
But I love you, I love you

Imperfect  
Imperfect  
Imperfectly  
I love you  
Imperfect  
Imperfect  
Imperfectly  
Can I help it

If I'm high strung  
If I was born with a sharp tongue?  
Will you marry me  
If I stay sweet  
If I am the one with the cold feet?  
But I love you, I love you

Imperfect  
Imperfect  
Imperfectly  
I love you

Imperfect  
Imperfect  
Imperfectly  
I love you  
Imperfect  
Imperfect  
Imperfectly  
(Yeah, yeah, yeah)  
Imperfectly  
(Yeah, yeah, yeah, yeah)  
Imperfectly  
(Yeah, yeah, yeah)  
Imperfectly

(Yeah, yeah, yeah, yeah)

Imperfectly

(Yeah, yeah, yeah)

Imperfectly

(Yeah, yeah, yeah)

Imperfectly

(Yeah, yeah, yeah)

Imperfectly

(Yeah)

As my grandmother always says

One heart heals another
