

Lioness

[Sarah Fimm](#)

Like a Lioness I'd like to get to know you
Let's take off our clothes
And Get Close. There. And how about I circle you
Like a Lioness.
Licking her paws
Use your hands.
Discover Me. One kiss could lead us to Bliss. Oh I love it when you go down
and I get wet
And fall apart
You inspire me. One kiss could lead us to Bliss
