Coffin Case

Angry Samoans

Coffin case ran around
Another body can't be found
Coffin case just for you
Turn you into Elmer's glue
Jump back, get down, it's time to move
[.....], downtown, I'm in the groove
Get lost, no cost, such a joke
World keeps going round and round
Your ashes up in smoke
Useless lie, no excuse
Body has no use
Open up, throw it in
Seek more ways to begin
Coffin case [mind] your plan
[And join] the living dead
Coffin case
