

# Then She Bit Me

## DJ Jazzy Jeff & The Fresh Prince

I was in a club, one Friday  
A lovely lady comes walking my way  
She walked up and she said, "Hello"  
I said, "Hi, my names Joe"  
I was lyin', so was sheShe said her name was Donna  
But her shirt said Marie  
Once you get to know me  
You'll never forget me  
I said why, then she bit meOuch, that didn't hurt, kinda nicked me  
But she ripped my shirt, at that point I fell asleep  
Woke up at her house, in the back of a jeep  
A blazer, '89, tinted windows  
I wish it was mine, oh, it is  
But where are my keys?  
There they are in the ignitionI'm at her house  
It's a tepee  
No, it's a cabin  
No, a skyscraperNo, an igloo, no, it's a shack  
Forget it, I'll go around back  
It's a castle, with a moat  
How I get across boat  
Shooo, I hate that soundI went inside, looked right, looked left  
There she is, oh, no that's Jeff  
He's invisible, I went downstairs  
It's a loft, no, it's a dungeon  
There she is, doing areobics  
No, yoga, no, karateYou killed my teacher  
But, what a bodyNo, he wasn't there, I'm tellin' you I saw her  
No, really I saw her, he was playin' checkers  
No, Nintendo, Ok, I'm lyin'  
There she is, watching T VAll my children, no, that's Cosby  
No, speed racer, no, that's Shaft  
No, that's Kimble, my fault the TV's off  
There she is, what a doll  
No, that's Chucky from child's play, I kissed her  
And she told me this is home  
I entered a dimension called the Twilight Zone  
Where anything can happenI'm rough like sandpaper, hard like Algebra  
You should be glad that I was nice, and I allowed ya to

Step on stage, to kick your rhymes off  
I tried to be nice, but you mistook that for softness  
Now it's goin' to hell with your opinion  
What I say goes from now on, this is my dominion  
Are there any rappers to step on stage  
'Cause if you do you'll feel the force of my rage, I'm on a rampage  
Syche just hit me, Jeff wanted to do that  
But I didn't, I thought that it would make the record dumb  
I guess I wasn't wrong  
Mary had a little lamb, her fleece was white as snow  
And everywhere that Mary went, so did Humpty Dumpty  
Jack and Jill went up a hill, to fetch a pail of water, Jack fell down  
And broke his crown, hickory, dickory, dock  
Got to use the bathroom now, Sike, I was drafted
