

If You Feel

Jefferson Airplane

If you feel like china breaking,
If you feel like laughing;
Break china laughing.
Break china laughing, laughing, laughing.If you feel like leaves are falling
If you feel like smiling;
Fall leaves are smiling.
Fall leaves are smiling, smiling, smiling, yeah.If you feel like love making,
If you feel like flying;
Make love flying, baby.
Make love flying, flying, flying, yeah.Got down...
Not the first time, you know...
Got down, got up to go.
Got up to go.
