# Dream

## Ly'Asia

Lyâ€™Asia
Dream
Iâ€™m just a girl in this big world but look at me cause I believe an I dream I dream I dream I dream
Iâ€™m suppose to shine name one flow thatâ€™s close to mine camera snap Iâ€™m suppose to rise pretty little girls h
all just close your eyes and dream make it clear the playground take me there where kids in the world donâ€™t have
no fear fun in the sun we dance and chill like mama I feel sick call the doctor quick quick quick after that itâ€™s
back on the grind thatâ€™s how I bring the dream alive dream I believe that you can be whatever you wanna be(I
will put more later
