

Celebrate in the Lord (Dancing on holy ground)

The Stoneleigh Band

1. Celebrate in the Lord,
He is the reason we rejoice;
For He has cast our sins away,
Forgotten now, forever and always,
Always, always, yes, always,
Always, always.

2. This is our jubilee,
No debt, no bondage, we are free.
We're free to give Him everything
For we have nothing, now it is all His,
All His, all His, it's all His,
All His, all His.

Chorus

This is where the party is,
This is where the joy of heaven abounds.
In His presence we are free
To praise, to shout aloud.
This is where the party is,
Singing with the angels, hear the sound.
This is where the party is,
We are dancing on holy ground,
Holy ground, holy ground, holy ground,
Holy ground, holy ground.

3. For freedom You have set us free,
No longer bound to slavery,
You've broken every chain that binds;
You've conquered sin forever and all time.
All time, all time, yes, all time,
All time, all time.
