

# Drakkar Noir (Commentary)

## Phoenix

You could do it better  
Drakkar Noir  
Cheap fixtures, religious tales  
Light a cigarette for two  
Too close to get to  
How come everyone knows you before they meet you? In the jingle jungle  
Jingle junkie  
Jungle jungelmen  
A better standard you're mediocre,  
I want your tongue Jingle jungle  
Jingle jump before you stumble  
I'm just too glad to say no  
Oh no, no Scandinavian leather  
Drakkar Noir  
Fake riches, oblivious tales,  
On a domestic airline  
Swear to god that you're mine In the jingle jungle  
Jingle junkie  
Jungle jungelmen  
A better standard you're mediocre,  
I want your tongue Jingle jungle  
Jingle jump before you stumble  
I'm just too glad to say no  
Oh no, no How I wish I knew  
How I wish I knew you from before  
'Till I die  
'Till I die  
'Till I die Burn the avenues, until the city unfolds  
Won't we have to know  
Do we have to know what truth is?  
Why I wish I knew  
Why I wish I knew you from before  
'Till I die  
'Till I die  
'Till I die  
'Till I die  
I'm just too glad to say no  
Oh no, no, oh no, no
