

Your Mighty Power

[Joe Sabolick](#)

I will be still, Iâ€™™ll wait
You are my God & Iâ€™™m safe
You give power when I am weak
You give strength in the secret place
Your past faithfulness demands my present trust
And everything I face
I believe with assurance

YOUR MIGHTY POWER
YOUR MIGHTY STRENGTH
Gives me hope for tomorrow
And peace for today

YOUR MIGHTY POWER
YOUR MIGHTY STRENGTH
I know this mountain can be moved by faith

I will be still, Iâ€™™ll wait
You are my God & Iâ€™™m safe
You give power when I am weak
You give strength in the secret place
Your past faithfulness demands my present trust
And everything I face
I believe with assurance

YOUR MIGHTY POWER
YOUR MIGHTY STRENGTH
Gives me hope for tomorrow
And peace for today

YOUR MIGHTY POWER
YOUR MIGHTY STRENGTH
I know this mountain can be moved by faith

YOUR MIGHTY POWER
YOUR MIGHTY STRENGTH
Gives me hope for tomorrow
And peace for today

YOUR MIGHTY POWER

YOUR MIGHTY STRENGTH
I know this mountain can be moved by faith
