

94 Hours

As I Lay Dying

94 hours of regret
For me to realize
What I held
Unfading beauty
Not just a face
I held it's innocence
Within my heartGo!
No! I won't let
Go!
I wont let go
I wont let go
No! I
I wont let go
No! I
I wont let goThe torment of your eyes
Has awakened my soulThe torment
Of your eyes
Has awakened my soulThe pain of a moments time
Will forever beg your forgiveness
Forgiveness94 hours
For me to realize
I held the unfading beauty
I am your innocence
