I'm So Tired

Fugazi

out here
i can barely see my breath
surrounded
by jealousy and death
i can't be reached
i've only had one call
dragged underneath
seperate from you allthis time
i've lost my own return
in spite of
everything i've learned
i hid my tracks
spit out all my air
slipped into cracks
stripped of all my caresi'm so tired
sheep are counting me
no more struggle
no more energy
no more patient
you can write that down
it's all too crazy
i'm not sticking 'round
