Action

Holly Valance

I'm not so young anymore
And I'm not so dumb anymore
If you've seen what I've seen
Then you'd understand what I mean
So don't say you're gonna call me if you're not
And don't say you're gonna love me a lot
And don't stell me that you think I'm really hot
If you want me for your girlfriend
Action speaks louder than words
Let's see what you can do
See if you are coming through
Before I'm giving in to attraction
I gotta check out the action
I wonder if you're equipped
And if you can't deliver the time
Then I'm gonna make you mine
Babe I won't complain if you're a little rough
(If you want me for your girlfriend)
Gonna find out tonight if you're just a bluff
But I will if you are not man enough
Action speaks louder than words
See if you are coming through
Let's see what you can do

Before I'm giving in to attraction
I gotta check out the action
Action
A C T I O N
If you want me for your girlfriend
Babe I won't complain if you're a little rough
But I will if you are not man enough
Action speaks louder than words
See if you are coming through
Before I'm giving in to attraction
Let's see what you can do
I gotta check out the action
Let's see what you can do
Action speaks louder than words
See if you are coming through

Before I'm giving in to attraction
I gotta check out the action
Action speaks louder than words
Let's see what you can do
See if you are coming through
Before I'm giving in to attraction
I gotta check out the action
