If I Get High

Nothing But Thieves

I'll meet you at the divine
To break the spell
A point where two worlds collide
Yeah, we'll rebelAnd we run, and we run, and we run, and we run
And we run, and we run, and we run
Until we break throughIf I get high enough
If I get high enough
Will I see you again?I fill my lungs every night
Not long to wait
And if I do this thing right
I dream of our escapeAnd we run, and we run, and we run, and run
And we run, and we run, and we run
Until we break throughIf I get high enough
If I get high enough
Will I see you again?
Will I see you again?If I get high
If I get high
If I get high
If I get highAnd we run, and we run, and we run, and we run,
And we run, and we run, and we run
Until we break throughAnd we run, and we run, and we run, and we run
And we run, and we run, and we run
