

Perfect World (Single Edit)

Huey Lewis & The News

Everybody's looking for a perfect world
Where you could have everything your heart desires
A perfect boy will meet a perfect girl
And the perfect love will set the world on fire
Well, what you gonna do when one and one makes three?
And a vision of the future is impossible to see
Nobody's perfect, not even a perfect fool
But if you'll have faith in me I'll keep faith in you
Ain't no livin' in a perfect world
There ain't no perfect world anyway
Ain't no livin' in a perfect world
But we'll keep on dreamin' of livin' in a perfect world
Keep on dreamin' of livin' in a perfect world
Everybody's got secrets, now you know that it's true
They talk about me and they'll talk about you
Something happens to the pledges of trust
Down through the years they begin to rust
Now here we are amid the tears and the laughter
Still waiting for our happily ever after
We'll keep on dreamin' as long as we can
Try to remember and you'll understand
Ain't no livin' in a perfect world
There ain't no perfect world anyway
Ain't no livin' in a perfect world
But we'll keep on dreamin' of livin' in a perfect world
Keep on dreamin' of livin' in a perfect world
