Between me and you

Ja Rule

Uh, uh, uh, uhEvery little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)YoWhen I first met her
All I thought was thong, thong, thong
Like loser lang, we can get our freakin' on
Baby, you know the game slipped awaySlide me your number, it's the last day of spring
See ya first day this summer
I'm a bad motha, shut yo mouth
Pull the drop outCreep at a low speed 'cause homie probably know me
I push the peddle, thoughts of your stiletto
Way up in the air like I think, he's here
'cause see, every time that I'm alone with you
Homey be checkin' up on youBut if that nigga only knew
You've got a lot of freak in you, baby
When that startin' to rain
I pop the roof and the champagneHow Jay say? "Money ain't a thing"
It's been close to few
Something even impossible
But, it's been between me and you, babyEvery little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)

Let's keep between me and you, baby
(Me and you)Every little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)Girl it's on again
Every year, we hummer 'em in
Beaches, houses, hoes, foes, friends
And when the day ends, that's when it all beginsYou wit him, here's my room key
(Holla at me)
Why ya thinka thinka, I'm gon' hit it up
Then look at the nigga, ya thinkin' ya love
(C'mon love)We could go there, me and you
We could talk all night, a night
If ya love it in the mornin', awake with new lifesIf I lookin' like I ain't gonna handle his
Let me handle my bizz, it is what it is
Nigga livin' his life and that's my bitch
Ya know, I gotta wife
Let's keep this thing tight, babyEvery little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)Every little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)'Coz every little thing that we do

(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)Don't let the word get out, baby
This is strictly between me and you, baby
If they only new we were doing what we were doing
It'd probably ruin our pre-rent way summer in cancoon-anAnd I love the way we get away
Throw away a whole day
Turn off the pagers and phones, we in the zone like
Fuck life, we live life, this is our life, live your lifeSee, every time that I'm alone with you
Shorty be checkin' up on you
But if baby girl only knew
You've got a lot of freak in you, babyDid I ever tell you, my man love what you do
That little thing with your tongue
You the best, who knew?
It's been close to few at times even impossible
But it's been between me and you, babyEvery little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)Every little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)'Coz every little thing that we do
(That we do)
Should be between me and you
(Me and you)The freaky things that we do
(That we do)
Let's keep between me and you, baby
(Me and you)Me and you, me and you
