

# Between me and you

## Ja Rule

Uh, uh, uh, uh Every little thing that we do  
(That we do)  
Should be between me and you  
(Me and you) The freaky things that we do  
(That we do)  
Let's keep between me and you, baby  
(Me and you) 'Coz every little thing that we do  
(That we do)  
Should be between me and you  
(Me and you) The freaky things that we do  
(That we do)  
Let's keep between me and you, baby  
(Me and you) Yo When I first met her  
All I thought was thong, thong, thong  
Like loser lang, we can get our freakin' on  
Baby, you know the game slipped away Slide me your number, it's the last day of spring  
See ya first day this summer  
I'm a bad motha, shut yo mouth  
Pull the drop out Creep at a low speed 'cause homie probably know me  
I push the peddle, thoughts of your stiletto  
Way up in the air like I think, he's here  
'cause see, every time that I'm alone with you  
Homey be checkin' up on you But if that nigga only knew  
You've got a lot of freak in you, baby  
When that startin' to rain  
I pop the roof and the champagne How Jay say? "Money ain't a thing"  
It's been close to few  
Something even impossible  
But, it's been between me and you, baby Every little thing that we do  
(That we do)  
Should be between me and you  
(Me and you) The freaky things that we do  
(That we do)  
Let's keep between me and you, baby  
(Me and you) 'Coz every little thing that we do  
(That we do)  
Should be between me and you  
(Me and you) The freaky things that we do  
(That we do)

Let's keep between me and you, baby  
(Me and you)Every little thing that we do  
(That we do)

Should be between me and you  
(Me and you)The freaky things that we do  
(That we do)

Let's keep between me and you, baby  
(Me and you)'Coz every little thing that we do  
(That we do)

Should be between me and you  
(Me and you)The freaky things that we do  
(That we do)

Let's keep between me and you, baby  
(Me and you)Girl it's on again  
Every year, we hummer 'em in

Beaches, houses, hoes, foes, friends  
And when the day ends, that's when it all begins You wit him, here's my room key  
(Holla at me)

Why ya thinka thinka, I'm gon' hit it up  
Then look at the nigga, ya thinkin' ya love  
(C'mon love)We could go there, me and you  
We could talk all night, a night

If ya love it in the mornin', awake with new lifes If I lookin' like I ain't gonna handle his

Let me handle my bizz, it is what it is  
Nigga livin' his life and that's my bitch  
Ya know, I gotta wife

Let's keep this thing tight, baby Every little thing that we do  
(That we do)

Should be between me and you  
(Me and you)The freaky things that we do  
(That we do)

Let's keep between me and you, baby  
(Me and you)'Coz every little thing that we do  
(That we do)

Should be between me and you  
(Me and you)The freaky things that we do  
(That we do)

Let's keep between me and you, baby  
(Me and you)Every little thing that we do  
(That we do)

Should be between me and you  
(Me and you)The freaky things that we do  
(That we do)

Let's keep between me and you, baby  
(Me and you)'Coz every little thing that we do

(That we do)  
Should be between me and you  
(Me and you)The freaky things that we do  
(That we do)  
Let's keep between me and you, baby  
(Me and you)Don't let the word get out, baby  
This is strictly between me and you, baby  
If they only new we were doing what we were doing  
It'd probably ruin our pre-rent way summer in cancoon-anAnd I love the way we get away  
Throw away a whole day  
Turn off the pagers and phones, we in the zone like  
Fuck life, we live life, this is our life, live your lifeSee, every time that I'm alone with you  
Shorty be checkin' up on you  
But if baby girl only knew  
You've got a lot of freak in you, babyDid I ever tell you, my man love what you do  
That little thing with your tongue  
You the best, who knew?  
It's been close to few at times even impossible  
But it's been between me and you, babyEvery little thing that we do  
(That we do)  
Should be between me and you  
(Me and you)The freaky things that we do  
(That we do)  
Let's keep between me and you, baby  
(Me and you)'Coz every little thing that we do  
(That we do)  
Should be between me and you  
(Me and you)The freaky things that we do  
(That we do)  
Let's keep between me and you, baby  
(Me and you)Every little thing that we do  
(That we do)  
Should be between me and you  
(Me and you)The freaky things that we do  
(That we do)  
Let's keep between me and you, baby  
(Me and you)'Coz every little thing that we do  
(That we do)  
Should be between me and you  
(Me and you)The freaky things that we do  
(That we do)  
Let's keep between me and you, baby  
(Me and you)Me and you, me and you
