I Want Nothing

The Black Ghosts

I want nothing but the love of the next stranger
Who walks through that door
And I want nothing but to dissolve in the night
And to feel direction no moreAnd I want nothing, no, I want nothing
No, I want nothing, no, I want nothingAnd I want nothing but to follow you
'Til we can walk no more
And I want nothing but to cut away
Until I find the coreAnd I want nothing, no, I want nothing
No, I want nothing, no, I want nothing
No, I want nothing, no, I want nothing
No, I want nothing, no, I want nothing
