

Smile (feat. Elderbrook)

Gorgon City

[Verse 1]

The trees are stripped back
And the skies are dark winds
Oh when the leaves hit the ground
They take flight
Oh little one, don't cry for the winter
I know you're cold for a little while
See the mist in the distance linger
And you smile[Chorus]
But you smile like everything's alright
Alright when you smile
Oh but you smile like everything's alright
Alright when you smile

[Verse 2]

Look at me in the cool breeze
Put my head high in the bright light
No [?] place when I take lead
Another look in your eyes
Just us when the dust [?]
So keep close when the cold bites
Only wanna keep on holding
You smile[Chorus]
But you smile like everything's alright
Alright when you smile
Oh but you smile like everything's alright
Alright when you smile[Bridge]

(Smile)

I carry you away to a good place
I carry you
There's nothing in my way
Nothing in my way
But I carry you, oh, I carry you[Chorus]
But you smile like everything's alright
Alright when you smile
Oh but you smile like everything's alright
Alright when you smile[Outro]
When you smile
But you smile like everything's alright

Alright when you smile
