Youâ€™re All I Have

Snow Patrol

Strain this chaos turn it into light
I've got to see you one last night
Before the lions take their share
Leave us in pieces, scattered everywhereJust give me a chance to hold on
Give me a chance to hold on
Give me a chance to hold on
Just give me something to hold ontoIt's so clear now that you are all that I have
I have no fear cos you are all that I have
It's so clear now that you are all that I have
I have no fear cos you are all that I haveYou're cinematic razor sharp
A welcome arrow through the heart
Under your skin feels like home
Electric shocks on aching bonesGive me a chance to hold on
Give me a chance to hold on
Give me a chance to hold on
Just give me something to hold ontoIt's so clear now that you are all that I have
I have no fear cos you are all that I have
It's so clear now that you are all that I have
I have no fear cos you are all that I haveThere is a darkness deep in you
A frightening magic I cling toGive me a chance to hold on
Give me a chance to hold on
Give me a chance to hold on
Just give me something to hold ontoIt's so clear now that you are all that I have
I have no fear now you are all that I have
It's so clear now that you are all that I have
I have no fear now you are all that I have
