Cool Kids (The Voice Performance)

Taylor Phelan

She sees them walking in a straight line, but that's not really her style
And they all got the same heartbeat, but hers is falling behind
Nothing in this world could ever bring them down, down
Yeah, they're invincible, and she's just in the background
And she saysI wish that I could be like the cool kids
'Cause all the cool kids, they seem to fit in
I wish that I could be like the cool kids, like the cool kidsHe sees them talking with a big smile, but they haven't got a clue
Yeah, they're living the good life, can't see what he is going through
They're driving fast cars, but they don't know where they're going
They're in the fast lane, living life without knowing
WellI wish that I could be like the cool kids
'Cause all the cool kids, they seem to fit in
I wish that I could be like the cool kids, like the cool kidsI wish that I could be like the cool kids
'Cause all the cool kids, they seem to fit in
I wish that I could be like the cool kids, like the cool kidsI wish that I could be like the cool kids
'Cause all the cool kids, they seem to fit in
I wish that I could be like the cool kids, like the cool kids
