

Cool Kids (The Voice Performance)

Taylor Phelan

She sees them walking in a straight line, but that's not really her style

And they all got the same heartbeat, but hers is falling behind

Nothing in this world could ever bring them down, down

Yeah, they're invincible, and she's just in the background

And she says I wish that I could be like the cool kids

'Cause all the cool kids, they seem to fit in

I wish that I could be like the cool kids, like the cool kids He sees them talking with a big smile, but they haven't
got a clue

Yeah, they're living the good life, can't see what he is going through

They're driving fast cars, but they don't know where they're going

They're in the fast lane, living life without knowing

Well I wish that I could be like the cool kids

'Cause all the cool kids, they seem to fit in

I wish that I could be like the cool kids, like the cool kids I wish that I could be like the cool kids

'Cause all the cool kids, they seem to fit in

I wish that I could be like the cool kids, like the cool kids I wish that I could be like the cool kids

'Cause all the cool kids, they seem to fit in

I wish that I could be like the cool kids, like the cool kids
