

I Can't Stop Loving You

[Bryan Adams](#)

I can't stop loving you
I've made up my mind
To live in memory of the lonesome times
I can't stop wanting you It's useless to say
So I'll just live my life in dreams of yesterday
Those happy hours
That we once knew Tho' long ago, they still make me blue
They say that time heals a broken heart
But time has stood still since we've been apart I can't stop loving you
I've made up my mind
To live in memory of the lonesome times
I can't stop wanting you It's useless to say
So I'll just live my life in dreams of yesterday
Those happy hours
That we once knew Tho' long ago
They still make me blue They say that time
Heals a broken heart
But time has stood still
Since we've been apart I can't stop loving you
I've made up my mind
To live in memory of the lonesome times
I can't stop wanting you It's useless to say
So I'll just live my life of dreams of yesterday
