

Fast As A Shark (Bonus)

Halloween

Fog in the streets
A church clock beats
Midnight - darkness all around You better beware
You better take care
Be prepared for the shock The time has come
And he's the one
Who's breathing down your neck Coming from behind
Now it's your time
A loser will die Fast as a shark he'll cut out of the dark
He's a killer - he'll rip out your heart
On a one way track and you're not coming back
Because the killer is on the attack Surprise attack
Coming from the back
An expert of the deadly knack Just take care
Just beware
Be prepared for the fight Fast as a shark he'll cut out of the dark
He's a killer - he'll rip out your heart
On a one way track and you're not coming back
Because the killer is on the attack Watch out - watch out Fast as a shark he'll cut out of the dark
He's a killer - he'll rip out your heart
On a one way track and you're not coming back
Because the killer is on the attack Fast as a shark he'll cut out of the dark
He's a killer - he'll rip out your heart
On a one way track and you're not coming back
Because the killer's
Because the killer's
Because the killer's on the attack
