Wise Man

Liam Finn

In the Autumn wind I remember him
With a common name but he's the only one in this town
Who acts his age when we're all giving in
Once was fun will later on be boring
By the fire light when it's late at night
I can hear him hum
Sings the songs of a merry actor
He's a coloring in book that's been all colored in
Once was fun will later on be boring
One sun sets another day is dawning
And I won't know, I won't know, my friends won't know aah
To the awkward soul I've lost control aah
He's a wise man
He's a coloring in book that's been all colored in
Once was fun will later on be boring
One sun sets another day is dawning
I won't know, my friends won't know aah
To the awkward soul I've lost control aah
He's a wise man
