

# Wise Man

Liam Finn

In the Autumn wind I remember him  
With a common name but he's the only one in this town  
Who acts his age when we're all giving in  
Once was fun will later on be boring  
By the fire light when it's late at night  
I can hear him hum  
Sings the songs of a merry actor  
He's a coloring in book that's been all colored in  
Once was fun will later on be boring  
One sun sets another day is dawning  
And I won't know, I won't know, my friends won't know aah  
To the awkward soul I've lost control aah  
He's a wise man  
He's a coloring in book that's been all colored in  
Once was fun will later on be boring  
One sun sets another day is dawning  
I won't know, my friends won't know aah  
To the awkward soul I've lost control aah  
He's a wise man
