## Us The Duo

the monsters under my bed
But I'm safe with you
I hear the voices scream in my head
But I'm safe with youI found a home inside your arms
I'm safe with you
I'll never be scared again because
I'm safe with youI feel the ghost that hides in the dark
But I'm safe with you
I see this whole world falling apart
But I'm safe with youI found a home inside your arms
I'm safe with you
I'll never be scared again because
I'm safe with you
I found a home inside your arms
I'm safe with you
I'll never be scared again 'because
I'm safe with you
