Meet the Press

Circle Jerks

Caught you in the camera
That's my tool
Saw you take the money
You've been fooledNot a merchant
Not a disguise
Jury will believe it
When he testifies
Meet the press
All the papers want to know
Why you ever stooped so low
As to take the phony bribe
From the fedsThank the rice dealer
Dinners at Le 'Parc
You're still good and greedy
But the bills were markedForget about the entrapment
No defense
Gonna leave office
When we commenceSave the tears
How you've served and
Been sincere
How you thought it was
A mirror
The high cost of campaigning
Each two yearsMeet the press
Sunday morning
"Face the Nation",
You've been had!
