

She's Beautiful

Mark Wagner

It's getting colder now, as she waits for me
Baby's big brown eyes surrender
Escape from me.
She can't escape his words, and it's hard
That's how love's supposed to be.
The silence is real
And her heart screams
Screams yeah yeah yeah yeah

She listens to the rainfall
As she sits and stares alone.
She wants to hear "I'm beautiful"
She's beautiful.
She only smiles to make me happy,
She cries when she's alone.
She dreams of being beautiful.
She's beautiful
She's beautiful

She was eight years old, she had an accident
She'll never walk, she'll never walk again
She grew up softly whispering
Asking why, why she has to live
She screams yeah yeah yeah yeah

She listens to the rainfall
As she sits and stares alone.
She wants to hear "I'm beautiful"
She's beautiful.
She only smiles to make me happy,
She cries when she's alone.
She dreams of being beautiful.
She's beautiful
Oh woah

She listens to the rainfall
As she sits and stares alone.
She wants to hear "I'm beautiful"
She's beautiful.
She only smiles to make me happy,

She cries when she's alone.
She wants to hear "I'm beautiful"

She's beautiful

She's beautiful

She's beautiful

Woah oh oh

Woah oh oh

Ohh... she's beautiful

La la la
