

It's the Law

Social Distortion

We're sitting here in this hell
You know it's like a living hell
Was what you did really a crime? The judge says you'll have to serve time
It's the law that you're in jail
It's the law that sets your bail Don't bother to try and fight
It's only a few more nights
The deputy had a bad night He had a little fight with his wife
And so he's gonna be pissed at work
And he's gonna bum out your life
