

# Casanova Brown

Teena Marie

My baby's fine, he always keeps me guessing  
But never keeps me guessing about his love  
He's had more girls than Howard Hughes had money  
And you may think it funny when I say he loves me only  
But who are you to say what he does when I'm not around  
Just because I fell in love with Casanova Brown  
Act 2, scene 5 is my command performance  
My name is Clairvoyance and it's all too deep  
I was the one who said tune in tomorrow  
I love to the bone marrow even when I am asleep and  
Who were you to say what I did when you weren't around  
Just because I fell in love with you Casanova Brown  
Standing room only, the concerts sold out  
Everyone's there for the party, the hush turns to a shout  
Everyone's got a piece of the pie of you and I  
But nobody knows when the lights dim down  
That the tears fall harder than the whole damn crowd  
Throwin' down my love, is just about all I can do  
Wasn't I the one who said, "I'll have my cake and eat it too"?  
Just couldn't wait any longer, you pushed till I was through  
I love you so, it hurt me but I had to let, let you go  
Did you hear me crying, baby? It sounded a little bit like this  
You didn't have to make me cry  
Tell me did I ask you why  
It's over, over, it's over, it's over, it's over, over  
Over before the love turns to hate  
Let it end and let's still be friends  
Ooh, ooh, ooh, baby
