

Renacer

Melibea

The gate you're afraid to enter

Holds the treasures you seek

 Your flesh, my bones

 Young hearts, old souls

The gate you're afraid to enter

Holds the treasures you seek

 Silver and gold

 Young hearts, old souls

This is the death of the subconscious you knew

 Follow the inner voice, follow the truth

 Forever we are bound to this burial ground

 Unless we let the light shine through

 (Reborn)

 My heart it no longer bleeds[?]

 (Reborn)

 I've got the love that I need

Stop wasting your time waiting on misery

 I'm reborn eternally

 When you look in the mirror

 Are you proud of what you see?

 When you look in the mirror

 Are you the person you thought you'd be?

 The gate you're afraid to enter

 Holds the treasures you seek

 Your flesh, my bones

 Young hearts, old souls

 The gate you're afraid to enter

 Holds the treasures you seek

 Silver and gold

 Young hearts, old souls

 Your flesh, my bones

 Young hearts, old souls
