Gets Us All In the End

Jeff Beck

It gets us all in the end
It gets us all in the end
Loves so hard it gets us all in the endIt gets us all in the end
It gets us all in the end
Love's so hard it gets us all in the end
Whoa, whoa, whoaI feel so out of place
Could it be I can't hide this look on my face
One step turns into two
Your so hung up from what you do
I don't care you can do what you doLove is the shining light that sees us through
It's out of its shine a placement in time
Where all of us stand love makes it demands
Whoa, whoa, whoa, whoaIt gets us all in the end
It gets us all in the end
Love's so hard it gets us all in the end
Whoa, whoaYou think we should be free
But we won't get there by trying to be
Let the chips fall where they may
You can leave you don't have to stayEven though love's hope is slight
We find the strength to keep fighting back
Inside of this shrine with nothing in time
We all understand love makes its demands
Whoa, whoa, whoa, whoaIt gets us all in the end
It gets us all in the end
Love's so hard it gets us all in the endIt gets us all in the end
It gets us all in the end
Love's so hard it gets us all in the end
Whoa, whoaYeahIt gets us all in the end
It gets us all in the end
Love's so hard it gets us all in the endIt gets us all in the endBaby it gets us all in the end
Love's so hard sometimes
Whoa, whoa
