

Soul Sucker (Ozzy Osbourne, Kevin Churko)

Ozzy Osbourne

Your cold words deafen
And silence long forgotten
The logic never reclaimedThe anger rises
Sometimes there's no surrender
No white flag flies
You won't like me when I'm angryStop talking to me
Just like I don't even bleed
This cross is heavy when
You're my soul suckerGet out of my face
The past is running in place
The silvers cut me as you
Suck the soul right out of meSoul suckerYou bite down deeper
Your tongue can cut my heart out
You've passed the point of return yeahThe storm lightens
Get ready for the whiplash
Don't think, don't speak
Don't, my patience turns to violenceStop talking to me
Just like I don't even bleed
This cross is heavy when
You're my soul suckerGet out of my face
The past is running in place
The silvers cut me as you
Suck the soul right out of meSoul suckerI'm just a solitary man who wants to live
A quiet life before where I cease to exist
I don't need resistance for the things I can't control
Just turn away and let it goStop talking to me
Just like I don't even bleed
This cross is heavy when
You're my soul suckerGet out of my face
The past is running in place
The silvers cut me as you
Suck the soul right out of me
