Miss Moneypenny (club 2224)

Placebo

Penance for his sin, he locked it in for just a little while
Lubricating creams, sanitaries would only cramp his style
It's a dirty job but shooting guns just makes you horny
Wants to spill his seed on guaranteed, service with a smile.Miss Moneypenny

Miss Moneypenny

Oh

Miss Moneypenny

Miss Moneypenny

OhPitter patter of the eyelid on the first roll of the dice
Feel the atmosphere, it's gently laced with nicotine and spice
It's a long walk home, the entrance of the night is scary
Only trouble is, he never learned to shoot the same gun twiceMiss Moneypenny

Miss Moneypenny

Oh

Miss Moneypenny

Miss Moneypenny

OhEvery job he saves the girl

Martini, mobile phone

Bastards getting in his way

They're all pushing daisies

All you need to make a movie is a gun and a girl0898 007 [repeat]
