Ba Da Dum

Katie Kuffel

In the outlook
Of what I took
I tried to see
What was hiding away from me

And in the outskirts
Of where I looked first
I thought I'd find
A semblance of justification in my mind
But too kind was I

Now I have tried
And I have cried
And I've lied about lying before
And too many times
Have I crossed a line
I say no, no more
Ba-da-dum, ba-da-dum, ba-da-dum

Pebbles through my window
And two birds with wands don't matter
Watch where I put my foot down
The glass is still littering the ground
Around me

And in my garden of
Pleases and pardons
I didn't weed out
All those thoughts that had
Plagued me with doubt
For so long

Now I have done some bad things before
From sad to glad and so much more
And it all adds up
Until I can't cup it in my hands
No more, no more
Ba-da-dum, ba-da-dum, ba-da-dum

Ba-da-da-da-da-da-da-da-dum

Ba-da-da-da-dum
Ba-da-da-da-da-da-da-da-dum
Ba-da-da-da-dum
Ba-da-dum, ba-da-dum, ba-da-dum
