

# Lullaby In the Rain

Jan & Dean

No Sadness,  
cause Iâ€™ll take good care of you.  
Donâ€™t be blue.  
The sun will shine right on through.  
So baby donâ€™t you worry.

Weâ€™ll be friends now.  
We will be just like one.  
Havinâ€™ fun.  
A run and playnâ€™ in the sun.  
No one can ever hurt you.

You can come with me,  
to the mountains or the sea,  
if you want too.  
Everything that is mine,  
you can have it thatâ€™s just fine,  
with me now.

So smile now.  
Arenâ€™t you glad youâ€™re here with me?  
Here with me?  
Is where you will always be.

So baby donâ€™t you worry.  
So baby donâ€™t you worry.  
So baby donâ€™t you worry.
