

# Subway Train

## Brygada Kryzys

I can't ever  
Understand  
Why my lifes, been  
Cursed poison  
Condemned  
When I been tryin every night  
To hold ya near me  
But I'm tellin you  
It aint easyEver since I been  
Ridin, right on the  
Subway Train  
You can hear the whistle blowin  
Wa might think I'm goin insaneAnd now your friends  
They're fillin up my car  
But your so busy readin Suzy says  
Ya can't look now  
You didn't see your lovers  
There all just in rags  
Ya know ya hid as pushin up posies  
Tryin get ya fedWe was all  
Ridin, right on the  
Subway Train  
And you can hear the captain shoutin  
He thinks I've gone insaneCus I keep  
Ridin, keep on  
Ridin, cus I keep on  
Ridin ridin ridin, keep on  
Ridin, yeahYou stop and you stare  
As I'm leavin my favorite place  
We have no regards  
Ya can't find a trace  
Ya gotta get on back to daddy  
That's all its gonna be  
He got the poison black arts of the pimps  
But don't ya st- st-I seen em travelin  
Right on the  
Subway Train  
Ya can hear th captain shou-ow-tin  
He thinks we've all gone insaneCus we keep on

Ridin ridin ridin  
Ridin, cus we keep  
Ridin ridin ridin  
Keep on ridin I think a see the train  
I see ya got open track  
I'm hopin  
One of those gonna bring my baby back (Cus I guess I said)  
Dinah wontcha blow  
Dinah wontcha blow your horn  
Dinah wontcha blow  
Dinah wontcha blow your horn  
Someones in the kitchen with Dinah  
I know whoa whoa whoa  
I said someones in th kitchen with Dinah  
I know I keep on  
Ridin ridin ridin
