Learn to Love

Secrets

[Verse 1]
You're dodging each reflection,
Mirrors haunt your soul, shake your bones.
And I think you're missing something,
Darling, leave that hole, it's not your home
Of all the troubles that you worry over, leave those thoughts alone.[Chorus]
You keep losing grip on what you love,
You hold tight, but it's never tight enough,
You're losing everything!
You'll earn the love you want when you learn to love yourself.
You keep losing sight of what went wrong,
It plays back, but the visions left you lost,
You're losing everything!
You'll earn the love you want when you learn to love yourself.[Verse 2]
Forgive me father, for I have sinned
I met the devil on my shoulder then I let him in.
When no one could save me, he said he'd defend me
And with no sign from above, could you fucking blame me?!IÃ¢Â€Â™m fighting myself, IÃ¢Â€Â™m going crazy a
IÃ¢Â€Â™m just so damn tired of your voice in my head.
Slow down, slow down,
This world will make you think, it's all about what you see.[Chorus]
You keep losing grip on what you love,
You hold tight, but it's never tight enough,
You're losing everything!
You'll earn the love you want when you learn to love yourself.
You keep losing sight of what went wrong,
It plays back, but the visions left you lost,
You're losing everything!
You'll earn the love you want when you learn to love yourself.[Hook]
I wonder how long that you can go on
Believing you're a stranger, that you'll never belong
In your own skin.
I'm here to tell you you're far from nothing.[Bridge]
You keep losing grip on what you love,
You hold tight, but it's never tight enough,
You're losing everything!
You'll earn the love you want when you learn to love yourself.
You keep losing sight of what went wrong,
It plays back, but the visions left you lost,

You're losing everything!
You'll earn the love you want when you learn to love yourself.[Outro]
You keep losing grip on what you love,
You hold tight, but it's never tight enough,
You're losing everything!
You'll earn the love you want when you learn to love yourself.
You keep losing sight of what went wrong,
It plays back, but the visions left you lost,
You're losing everything!
You'll earn the love you want when you learn to love yourself.
