Two Souls

Christian Kjellvander

Your eyes are emeralds,
As we drive a pass
Always thinking about that this could be the last
And we're both breathing
But I hear your breath
You can only ever die in two arms
And I like yours the bestI've got one hand reaching for heaven
And the other one is dragging in the dirt
And I've got two souls
One's gonna love you
And the other one is gonna cause you hurtAnd any day now we'll be at ease
Any day now we'll rise up off our knees
Barely hurting, hardly tears
I'll keep it right here
With all my other years
I've got one hand reaching for heaven
And the other one is dragging in the dirt
And I've got two souls
One's gonna love you
And the other one is gonna cause you hurt
