

# Waiting There for You (Unplugged)

Reamonn

Did they let you go?  
Or are you running still from them?  
Are you just mesmerized by the way it is? Did you see your dream  
Fade before your eyes?  
Or are you still reaching out? And can you hear me scream?  
Can you hear me scream?  
Hear me scream? I'm waiting there for you  
I'm waiting there for you  
But there's nothing I can do  
There's nothing I can do Did you see my face  
Stuck here in the crowd?  
Could you see me cry  
When you turned away? And did you see the tears  
Rolling down my face?  
Could you feel my pain And did you hear me scream?  
Did you hear me scream?  
Hear me scream I'm waiting there for you  
I'm waiting there for you  
But there's nothing I can do  
There's nothing I can do I'm waiting there for you  
I'm waiting there for you  
But there's nothing I can do  
There's nothing I can do
