

# Disorder in the House

Warren Zevon

Hey Disorder in the house  
The tub runneth over  
Plaster's falling down in pieces  
By the couch of pain Disorder in the house  
Time to duck and cover  
Helicopters hover over  
Rough terrain Disorder in the house  
Reptile wisdom  
Zombies on the lawn  
Staggering around Disorder in the house  
There's a flaw in the system  
And the fly in the ointment's gonna  
Bring the whole thing down The floodgates are open  
We've let the demons loose  
The big guns have spoken  
And we've fallen for the ruse Disorder in the house  
It's a fate worse than fame  
Even the Lhasa Apso  
Seems to be ashamed Disorder in the house  
The doors are coming off the hinges  
The earth will open and  
Swallow up the real estate I just got my paycheck  
I'm gonna paint the whole town gray  
Whether it's a night in Paris  
Or a Fresno matinee Its the home of the brave  
And the land of the free  
Where the less you know  
The better off you'll be Disorder in the house  
All bets are off  
I'm sprawled across  
The davenport of despair Disorder in the house  
I'll live with the losses  
And watch the sundown  
Through the portiere Here we go  
Alright, [Incomprehensible]  
Hey, [Incomprehensible]  
[Incomprehensible]
