

Everybody's talking

Harry Nilsson

I don't hear a word they're saying
Only the echoes of my mind
People stopping staring, I can't see their faces
Only the shadows of their eyes I'm going where the sun keeps shining
Through the pouring rain
Going where the weather suits my clothes Backing off of the North East wind
Sailing on summer breeze
And skipping over the ocean like a stone I'm going where the sun keeps shining
Through the pouring rain
Going where the weather suits my clothes Backing off of the North East wind
Sailing on summer breeze
And skipping over the ocean like a stone Everybody's talking at me
Can't hear a word they're saying
Only the echoes of my mind
I won't let you leave my love behind
