

# The Darvel Dam

Joe Gordon, Sally Logan & Scott Gordon

As I gaed oot yea Llamas Nicht  
Just for to hae a bit strol  
I didnae dander very far  
Just doon aboot the length of the toll  
I dander ed on and dander ed on  
Till Darvel Dam I did pass  
And who do you think was standing there  
But a bonnie wee servant lass  
Where are ye gaun give me yur haun  
How do ye do says I  
Haud up yer heid my bonnie wee lass  
And dinna be looking say shy  
Come tell tae me your name  
Will your faither no be angry noo  
If I was tae see you hame joh.n
