

# Take Me There

## Trip Lee

There's a place in your heart, nobody's been  
Take me there  
Things nobody knows, not even your friends  
Take me there  
Tell me 'bout your momma  
Your daddy, your hometown, show me around  
I wanna see it all, don't leave anything out  
I wanna know everything about you then  
And I wanna go down every road you've been  
Where your hopes and dreams and wishes live  
Where you keep the rest of your life hid  
I wanna know the girl behind that pretty stare  
Take me there  
Your first real kiss, your first true love  
You were scared, show me where you learned about life  
Spent your summer nights without a care  
Take me there  
I wanna roll down Main Street, the back roads  
Like you did when you were a kid  
What made you who you are?  
Tell me what your story is

I wanna know everything about you then  
And I wanna go down every road you've been  
Where your hopes and dreams and wishes live  
Where you keep the rest of your life hid  
I wanna know the girl behind that pretty stare  
Take me there, yeah  
I wanna know everything about you  
Yeah, everything about you, baby  
I wanna go down every road you've been  
Where your hopes and dreams and wishes live  
Where you keep the rest of your life hid  
I wanna know the girl behind that pretty stare  
Take me, take me, take me there, oh  
(Take me, baby, take me)  
I wanna roll down Main Street  
I wanna know your hopes and your dreams  
(Take me there)

Take me, take me there, yeah  
(Take me, baby, take me)  
(Take me there)  
(Take me, baby, take me)  
(Take me there)
