

Watch The Sky For Me

Powerman 5000

Watch the sky for me,
Watch the night.
I'll be there for you,
In starlight.

As your feet touch the ground,
I'll be floating along
Watch the sky for me...
tonight

Just as every moment leads you to the past,
Just as everything has gone,
I'm the one you need to know that there is someone else,
Just as this is now goodbye...

Watch the sky for me,
Watch the night.
Cuz I'll be there for you,
In starlight.

As your feet they touch the ground,
I'll be floating along
Watch the sky for me...
tonight.

yeah
tonight
