

# White Meat

## Lil Jon & The East Side Boyz

Ya, full of all kinda drugs high is just a rap pussy  
Nigga betta not get too close nigga betta not try to push me  
We got them thangs I mean them thangs that go bang bang  
Don't give a fuck who you is, don't give a fuck if you got some change  
Take yo niggas, take yo watch, and take  
yo diamond ring, way back  
In the game when the niggas used to have to sell rock cocaine  
Right now today, I'ma grab the mic and bring the pain  
Go fuckin' insane, everything I say goes straight to yo brain  
Lil' Jon on the beat 'bout to tear this bitch up out  
the frame  
You betta leave if you think you just a little lame  
Chuck yo chain don't get caught when this song here come on  
Look at my face thats gon' tell y'all niggas somethin' wrong  
I heard you niggas don't like me, like me  
I know you boys wanna fight me, fight me  
I know where yo kids and yo wife be, wife be  
Bust a nigga head to the white meat, white meat
